Welcome!

There's a real buzz in the air for our first Show since 2019. Focusing on the Main Ring field, we've lots planned; adrenaline-filled Main Ring entertainment courtesy of *The Extreme Mountainbike Show* and *The Scurry*; the popular Shopping & Craft Marquee; Home & Garden; livestock; live music and tradestands. We're introducing some new twists, not least our new look Food Festival and brand-new Agricultural Hub, and there'll be a few other treats in store! With an anticipated **5,000 visitors** at this year's Show, sponsorship is a great way to get your business noticed.
