## VINTAGE TRACTORS/STATIONARY ENGINE ENTRY FORM

Dear Enthusiast,

I have been invited to organise the Vintage/Classic Section at this year's Monmouthshire Show. This is a long-established event, and this year marks only the second show since the pandemic. It is a much-loved Show and offers many exciting attractions including Arena Entertainment, Food & Craft Marquees, Trade Stands, Live Music, Livestock, and so much more.

As a lover of vintage tractors and/or stationary engines, we'd like to give you the opportunity to exhibit at this year's Show.

Admission to the Show is free for the driver/operator and 1 accompanying adult. Spaces are limited and will be provided on a first come first served basis. Spaces **must** be booked in advance. A parade of classic vehicle, including tractors, will take place in the Main Ring during the day, weather dependent. . If you wish to partake in this, please include with your application a short note of your tractor's history for the commentator.

With your participation, I look forward to making this year's Vintage Section an exciting and significant attraction to the Show.

Access to the site will be possible from 7am on Sunday 18th August 2024. Tractors and engines are requested to be on site and before 8.30am and to remain on site until 6pm for the health and safety of the general public. We are taking the advice of our health and safety advisor to see if an earlier marshalled exit may be possible, but it can't be guaranteed.
